Features:

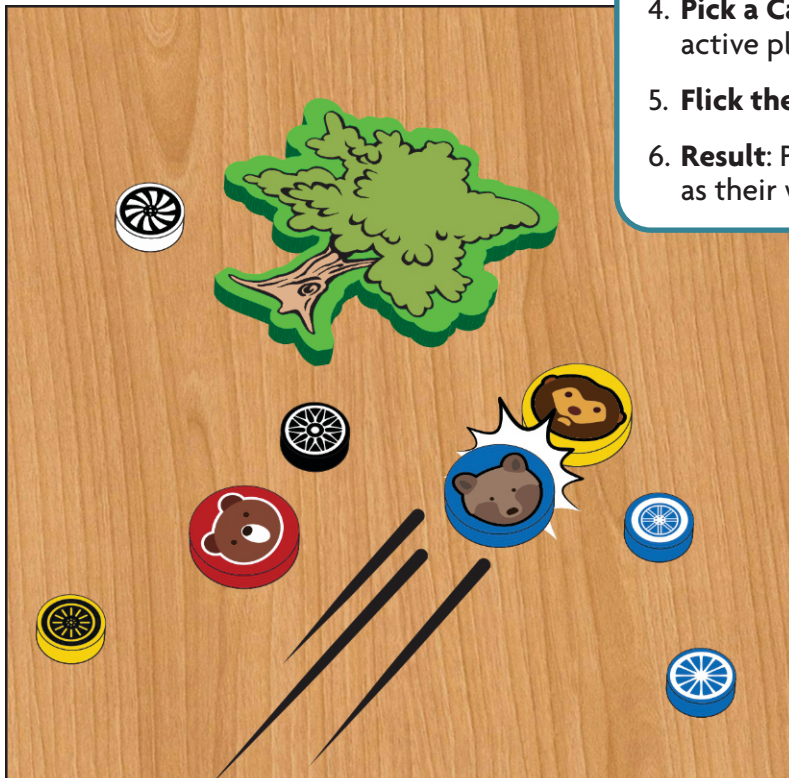

- Simple gameplay, easy to pick up, set up, and clean up
- Fast playing, with minimal downtime, even with 6 players
- Fun betting on opponent's flicking abilities

A round of play:

1. **Pick a Bear:** Active player rolls die to determine which bear to flick
2. **Flick a Gem or Tree:** Add gem or tree to play area
3. **Flick a Bike:** All players 'ante up', each flicking a bike token into the play area
4. **Pick a Card:** All players bet on what they think the active player will hit
5. **Flick the Bear:** Active player flicks!
6. **Result:** Players who bid correctly collect bike tokens as their winnings!
